

## Instructor, Veterinary Services Competition No: 17-2501-003

Lakeland College's School of Agricultural Sciences invites applications for a veterinarian to teach, mentor and guide our Student Managed Farm livestock teams. The successful candidate may also consider providing veterinary services to our multi species farm, including beef, dairy and sheep units.

The successful candidate must possess a Veterinary Medicine Degree with strong communication and organizational skills, and must enjoy mentoring and working with students. Experience with both small and large animals is required.

Lakeland College is located in the vibrant community of Vermilion, with a friendly family atmosphere, and great cultural and recreational opportunities. Vermilion is located within 30 minutes driving distance of the City of Lloydminster.

This is a Sessional Part-time Faculty appointment commencing September 6, 2016 and ending May 1, 2017.

Qualified applicants are invited to submit their resume by June 3, 2016.

For further information, please contact Darrell Hickman at [darrell.hickman@lakelandcollege.ca](mailto:darrell.hickman@lakelandcollege.ca) or Josie Van Lent at [josie.vanlent@lakelandcollege.ca](mailto:josie.vanlent@lakelandcollege.ca).

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. If suitable Canadian citizens or permanent residents cannot be found, other individuals will be considered. Those selected for an interview will be contacted.

Please quote the competition number and send current resume and names of three references to:
