

Seven Oaks Game and Fish Association Environmental Legacy Scholarship

The Seven Oaks Game and Fish Association, through its endowment fund at The Winnipeg Foundation, is pleased to offer a scholarship to support graduate students pursuing studies in environmental and resource management at the University of Manitoba.

One scholarship will be awarded to a Graduate student who meets the following criteria:

1. Is entering or currently enrolled full-time in a master's or doctoral program through the Clayton H. Riddell Faculty of Environment, Earth, and Resources
2. Has achieved a minimum GPA of 3.5 based on the last 60 credit hours (or equivalent) of study
3. Demonstrates research excellence in terrestrial and freshwater aquatic science, such as environmental science, wildlife management, aquatic resource management, fisheries, habitat management, water resources management, or limnology within Manitoba
4. Shows a commitment to environmental engagement/outreach in a public or professional capacity

Preference will be given to students whose research promotes the conservation and protection of Manitoba's natural resources, including soils, minerals, forests, water, wildlife, and fish habitats.

To apply, candidates must submit:

- A brief description of their research (maximum 500 words)
- A letter of recommendation from a supervisor or faculty member
- A current curriculum vitae

Completed applications must be submitted in PDF format via email to Riddell.Advisor@umanitoba.ca

Application Deadline: November 14, 2025
