Article 25 of the Collective Agreement between The University of Manitoba and the UMFA provides for Merit Awards of \$3,000 each. Under the provisions of Article 25, applications/nominations are invited for the **calendar year 2025**.

Awards are available in five specified categories:

- a. Teaching - up to eight (8) awards;
- b. Research, Scholarly Work, and Other Creative Activities - up to eight (8) awards;
- c. Service - up to six (6) awards;
- d. Any combination of Teaching, Research, Scholarly Work and other Creative Activities, and Service - up to eight (8) awards; and,
- e. Promoting Indigenous Achievement - up to three (3) awards.

**ELIGIBILITY:**

**Applicants/nominees must have been a member of the UMFA bargaining unit as of March 31, 2025.** Applicants/Nominators must specify the category in which an award is being sought. **Applications/Nominations will only be considered for an award in the category specified. No individual shall receive more than one (1) merit award in any one year, or more than one (1) merit award per category in a three (3) year period.**

"The factors that may be considered in assessing nominations or applications for such awards may include but are not limited to those set out in Article 20.A.1.2.1 through 20.A.1.2.3, or 20.B.1.2.1 through 20.B.1.2.4, as appropriate."  
(Article 25.3 of the Collective Agreement.)

## **ADJUDICATION:**

The committees will consider only the evidence submitted by the applicant/nominator. In the category of Research, Scholarly Work, and Other Creative Activities, the committees will give priority to work that has been published (in the case of research and scholarly work) or produced (as in the case of other creative activities) in the calendar year under consideration.
