

Experiential Learning in The Riddell Faculty

Hands-on learning? Career preparation? learning-by-doing? the latest fad in education? What exactly is experiential learning and how does it fit in your courses and programs? In this workshop you'll explore these questions alongside other members of the Riddell Faculty and learn about key principles of experiential learning pedagogy.

November 26th, 2025

1:30 PM to 3:30 PM

Klaus Hochheim Memorial Theatre - 5th Floor Wallace

About the presenter: Gerardo (Gera) is a Faculty Specialist in the Office of Experiential Learning at The Centre for the Advancement of Teaching and Learning. With a background in community engaged learning, travel programs, and classroom teaching, he supports faculties and instructors to integrate different types of experiential learning into courses and programs.
