

# Debra & Ross Pitman Graduate Scholarship

Established as an endowment fund at the University of Manitoba to recognize graduate students in the Department of Earth Sciences with a focus on geophysics.

To be eligible, applicant must be:

1. A Graduate student who:
  - Is enrolled full-time in a Master's or Ph.D. program delivered by the Department of Earth Sciences
  - Has a minimum GPA of 3.5 based on the most recent 60 credit hours (or equivalent)
  - Has achieved strong academic standing in geophysics-related courses such as structural geology, engineering geology, and/or hydrogeology
  - Demonstrates a clear interest and aptitude in geophysics, including areas such as physics of the Earth and exploration geophysics

Application must include:

- Submit a short statement (max 500 words) describing:
  - Your research interests
  - Your proposed thesis topic
  - How it relates to geophysics or related fields

**Award value: \$6,600**

**Completed applications must be submitted in PDF format via email to [Riddell.Advisor@umanitoba.ca](mailto:Riddell.Advisor@umanitoba.ca)**

**Application Deadline Extended:  
October 10, 2025**

**University  
of Manitoba**
