

Meet & Greet

September 28, 2017 (3:00 to 4:15 PM)

Room 310

Department of Plant Science

You are invited for coffee with *Dr. Lana Reid*, Research Scientist with Agriculture and Agri-Food, Canada (Ottawa). Please, drop in whenever convenient for you. Dr. Reid has been collaborating on several corn projects in Manitoba including the development of cold tolerant corn hybrids and inbred lines for Manitoba, Goss's wilt disease screening at CMCDC Carberry, and Evaluation of Corn Heat Units for Manitoba.

Please RSVP
