AGRARIAN EXTRACTIVISM IN LATIN AMERICA

Edited by

*Ben M. McKay, Alberto Alonso-Fradejas,
and Arturo Ezquerro-Cañete*

Institute for the
Humanities

University
of Manitoba

*Ben M. McKay is Assistant Professor of Development and Sustainability at the University of Calgary in Canada. His research focuses on the political economy and ecology of agrarian change in Latin America, agrarian extractivism, and food sovereignty alternatives. He is the author of *The Political Economy of Agrarian Extractivism: Lessons from Bolivia* (2020) and coeditor of *The Edward Elgar Handbook of Critical Agrarian Studies* (2021) and *Rural Transformations and Agro-Food Systems* (2018).*
