Institute for the
Humanities

University
of Manitoba

Dr. Javier Mignone is a professor in the Department of Community Health Sciences, Rady Faculty of Health Sciences, University of Manitoba. He holds a Masters equivalent degree in Psychology, a Masters in Health Services Administration, and a PhD in Community Health Sciences. Dr. Mignone teaches undergraduate and graduate courses, including program evaluation and social development. He also conducts research and development projects on intercultural health and health information with Indigenous partners in Guatemala, Colombia, Argentina, Dominica and Canada. Dr. Mignone is the author of approximately 75 peer-reviewed publications, aside from numerous reports to government and other organizations. He has held research and development grants from different funding bodies such as, CIHR, CIDA, SSHRC, Inter-American Development Bank, and the Public Health Agency of Canada. He leads the Program and Policy Evaluation Research Group at the University.
